FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health As Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flushed or heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. Be genuine; you lose. Accept no substitute for "Golden Medical Discovery."

Constitution causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain as long as possible ones youthful appearance. It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which crawls and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure.

Accept no substitute there is none. Sold by leading druggists. Send 5c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Bigamist Returns.

Thomas W. Kiley, the Brooklyn millionaire banker, who was discovered six weeks ago to be the head of two households less than a mile apart, and who disappeared when the facts became public, returned to the home of Mrs. Kiley No. 1 yesterday. He said he would leave New York today never to return. Neither wife will accompany him. Apparently the matter has been amicably straightened out, because it is announced that Mrs. Kiley No. 1 has fully forgiven him and that Mrs. Kiley No. 2 has agreed not to attempt to see him.

Kiley was president of the North Side Bank of Williamsburg, a wholesale merchant and a big man in finance. He was what is called a model citizen, scrupulously honest in his business dealings, a leader in charitable and church work.

The discovery that he had one wife at the Jefferson avenue address and another at 216 Brooklyn avenue started the community. It appears that neither wife knew of the existence of the other until a short time before the exposure. Kiley admitted the facts.

When the story of his two families came out he resigned from the presidency of the bank and dropped out of sight. No criminal proceedings were brought against him, and he kept in communication with his lawyers and business associates all through his absence. He went directly to Asheville, N. C., visited Baltimore, Norfolk and other cities until two days ago, when he was advised that matters had been so shaped that he might return.

Arriving in Jersey City, Kiley went to a hotel, where he remained until yesterday morning, when he started for his old home in Williamsburg. He has aged since he went away.

Suicide at 108.

Mrs. Mary McKittick, 108 years old and, as far as known, the oldest woman in America, committed suicide at the home of her son, Luke McKittick, an octogenarian, near Uniontown, Pa., yesterday morning by cutting her throat with a carving knife. She had been in ill health for several weeks and her mind had failed.

Mrs. McKittick declared God had forgotten her and had neglected to call her, although all those she knew in her girlhood and womanhood, before the oldest of old men and women now living were born, had all gone to their future home.

Mrs. McKittick was born in county Kildare, Ireland, March 17, 1798. The fact of her birth is duly recorded in the parish register, and the authenticity of her claim to being one of the oldest, if not the oldest person in America, is well established. She remained in Ireland until a very old woman. Her children had all emigrated to this country many years before, had raised families and died of old age. All of the persons she had known had died, and she was left alone in the old home in county Kildare among strangers.

March 17 last, when her birthday was celebrated, she danced an Irish jig to show what a good old Irish woman could do, she said. But her heart longed for old Ireland. Her thoughts turned back to the hills of Duamurry and the banks of the Boyne, to the antiquities of Punchestown and Jiggins town and the other historic spots in Kildare. Little more than a month ago her health failed.

Bloodshed Feared.

At the request of Sheriff R. M. Owens, of King George county, after a consultation with his deputy, the Commonwealth's Attorney and Judge Mason, of the Circuit Court of that county, who resides in Fredericksburg, Governor Swanson yesterday ordered Capt. M. R. Rowe, of Company L, Seventieth Virginia Regiment, of Fredericksburg, to proceed to King George courthouse at once and report to the sheriff for duty.

Captain Rowe, two lieutenants and 27 men left for King George Courthouse by private teams. The distance is about 25 miles over bad roads. The troops arrived at King George Courthouse about 6 o'clock yesterday evening.

Information that an attempt would be made to release the negro boy, Gabriel Bataille, who is confined in the jail charged with criminally assaulting Lena Rogers, daughter of Rudolph Rogers, a farmer, induced the county authorities to ask for troops. The attempt to release the negro would be made, it was said, by the negroes of the county. Before leaving Fredericksburg for the scene of the supposed trouble Captain Rowe ordered issued to each man 20 rounds of ammunition. Arriving at the courthouse, they found things quiet. Captain Rowe said to the deputy sheriff, H. H. Hunter, that he thought it wise to remove the prisoner to Fredericksburg last night.

A good complexion is impossible with the stomach out of order. If you suffer from indigestion, constipation, or any other ailment, you should pay more attention to their stomachs and less to the skin on their faces, they would have better complexion. KODOL FOR DYSPEPSIA will digest what you eat and do your stomach back right in shape to do its own work. Kodol relieves palpitation of the heart, flatulence, sour stomach, heart burn, etc. Sold by W.
